Hello Maryam and Linda,

I was wondering if either of you had a chance to look at slides 19 and 20 in the treated seed petition briefing. These are the recommendation and ANPRM slides for our meeting with Elissa and Tim tomorrow. Please let me know if you have any thoughts on them.

Thank you,  
Quinn

Good Afternoon All,

I have attached the treated seed petition briefing slides for your review. We have added two slides (19 and 20) that include discussion about our recommendations and the thoughts on the ANPRM. If you get a chance please review these two slides tomorrow so we can make any changes to them prior to our meeting with Elissa and Tim on Thursday. There is more information in the talking points of the slides as well including our thoughts on the rationale and the potential ramifications. If you have any questions about the additions please let me know.

Thank you,  
Quinn
